PRODUCT DESCRIPTION:

The undersigned requests approval of alternate product(s) as manufactured by MegaMet Industries, Inc. (MegaMet) located at 3228 Sixth Avenue North, Birmingham, Alabama 35201 to the product(s) specified for the above noted project. MegaMet's product line may be viewed at www.megametusa.com or by calling 1-205-322-7700.

This request is based on the attached page(s) showing the currently specified product, the MegaMet proposed substitution, and the justification for the alternate product(s).

We affirm that the alternates are equal or superior to the product(s) specified or are better suited to the spirit and intent of the specifications.

We further affirm that these alternates will not adversely affect the product warranty, relation with other trades, dimensions, operational clearances, product manufacturing tolerances, or contribution to LEED points (under MR Credit 4).

The submitter may utilize additional Product Substitution Statements as necessary.

Each substitution has an individual area for A/E approval confirmation or comments.
